Each year over 60 children cannot afford the cost of playing little league baseball and softball. Salida Little League provides a place for them to play regardless of their economic situation. We are only able to offset the costs through generous donations that are received from the community. Salida Little League graciously accepts donations from community organizations and businesses such as yours.

Thank you from the Salida Little League Board of Directors.

Dear Business Owner:

We would like to invite you to become a sponsor for Salida Little League, home of the 2009 District 67 All Star Championship Team in the 9 & 10 year old division.

Each year the cost of providing a quality youth sports program such as baseball & softball increase and thus the need to seek additional sponsorships for our league. Salida Little League is the ONLY Chartered Little League between Manteca & Turlock. Being Chartered through Little League Baseball International, the largest youth sports program in the world allows Salida Little League to offer all youth an opportunity to play baseball or softball regardless of their family's economic background.

The time has come to begin preparing for the upcoming 2010 season. We are in the process of improving our facilities, equipment and program so that we can continue to function at the safest and highest level possible. We currently serve over 400 youth in the Modesto and Salida communities and have many plans in the works to continue to improve the program. Salida Little League needs your help so we as a non profit organization can continue to provide the benefits to the youth. Teaching these children the act of sportsmanship and team work is such a major role in today's society. Without your help and involvement, it would be a challenge to provide the needed amenities for this league.

New for the 2010 season, Salida Little League will be offering "Challenger Division" Baseball for children with disabilities ages 5 - 18 years of age and none of this would be possible without the help of our sponsors.

As a team sponsor at any level your company name or logo will be placed on the website. If you want, we can also set up a link to your website if you have one. Our website is www.salidalittleleague.com. If you have any questions, please contact Brandt Evans, President at (209) 543-9876.
